

## HONG KONG, SHANGHAI, BEIJING and JAPAN

**Want a License deal? Want to be seen and heard abroad?** Want to get your music into the hands of Record Labels and A & R Personnel from around the globe then the FAR EAST ASIAN Markets of Hong Kong, Shanghai, Beijing and Japan might be just for you. Everyone knows these emerging markets are growing at an alarming rate and so is their appetite for new music and emerging artists.

**REALM Music Group LLC** will be meeting with the global music industry's key players visiting the countries of Hong Kong, Shanghai and Beijing to promote its annual compilation/ cd catalogue, networking & checking out new talent this year.

Many industry professionals seek new emerging talented artists, musicians, singers and songwriters from every sector, genre and country to do deals, network, learn, and check out hot new talent it's the event not to be passed up. No other overseas market is a better source for international deals for global coverage than this growing conglomerate.

What is a license deal? A deal simply means that a record label from a particular country or countries will lease your mastered recording for a specified period of time. What does that mean for the artist? Up front money, Royalties per unit sold, pressing and distribution, marketing, promotion and touring. We market your product via International Conferences and Trade Shows across the Globe.

Let **Realm Music Group LLC** market your music through the distribution of our printed catalogues, compilation cd and online advertising. With an initial cd pressing of 1000 cd units. we will submit your product to record companies and film companies around the Far East Market who are seeking new artists and music. Many of these record companies offer upfront monies for Licensing and Publishing Deals for new talented artists with finished mastered cd's.

**Have a One Hit Wonder/ Funniest Song** you'd like to submit. This is great for TV/Film/ Soundtracks and Commercials so if you have a song you might not think to release commercially to radio but think it could be a great commodity hit for a product/ tv/ soundtrack or commercial we have a special package for you as well. For \$299 if selected to participate we will market your song to industry professionals looking to license out your music.

**Realm Music Group's** compilation cd and full color catalogue will include all Genres of music including: *Pop/ Rock / Dance / Blues/ Electronic/ Rap/ Hip Hop / R & B / World / Jazz*

So if you cant afford to miss an opportunity like this and want to be seen and heard on our compilation cd you must submit your best song from your finished mastered cd along with a bio, color photo and your payment of \$499.00 or \$299 depending on submission type. All materials and payment must be received no later than April 3, 2007 in order to qualify for this event. **Contact us for more information at (954) 673-0291 Realm Music Group LLC.**
